I have the honor to forward herewith copy of letter No.D.Spl.R. 238-34 dated 15-6-1935 from the Deputy Commissioner, Hassan District, together with the file of correspondence relating to the above.

2. The inam lands are situated in Alur Sub Taluk while the temple is in Hassan Taluk. It is seen from the correspondence that the inam lands have been lying fallow as nobody is willing to take them for cultivation.

3. I request that sanction of Government may kindly be obtained to the Deputy Commissioner's proposal to cancel their inam tenure and to dispose of them under Darkhast Rules, the proceeds being deposited in Government securities on behalf of the temple.

I have the honor to be,

Sir,

Your most obedient servant

Muzrai Commissioner.

Letter No.D.Spl.R.238-34 dated 15-6-35 from the Deputy Commissioner, Hassan District, to the Muzrai Commissioner in Mysore.

Subject:- Petition presented to the Dewan by M. K. Javregowda and others of Chikkamandigan halli, Hassan Taluk, praying for the renovation of the temple building of Sri Rameswara at Thannirahalla and restoration of certain lands of the temple situated close by to the temple.

With reference to your letter No.H.C.82/34-35 dated 11th Jany. 1935 forwarding the petition relating to the above subject, I have the honor to forward herewith the records ending with Hassan Sub Division Officer's No.D.S.P. 104-34 dated 3rd June 1935 and to state as follows:-

2. The temple of Sri Rameswaradevaru situated at Thannirahalla of the Hassam Town is a Village institution endowed with the marginally noted two S.Nos

situated at Bommachavalli village, Kundur Hobli, Alur Sub Taluk. The jodi and cesses due to Government on these lands have been remitted during the year 1930-31 on the ground that the lands were lying fallow and that the fact having come to the notice of the Deputy Commissioner when the assessment for 31-32 and 32-3 fell in arrears it was ordered on 26-11-33 in No.R.R.17/33 I.Dis. that the same might be adjusted from the balance available at the credit of the institution. The assessment of R 49-14-0 due for those years is reported to have been adjusted out of R 84-11-0 that was available at the credit of the institution in the Muzrai Pass Book and it is not known what action has been taken to adjust the land revenue due for the subsequent years.

3. The petitioners stated that the temple building is in a dilapidated condition and may be got renovated and that certain lands of the temple (the description of which is not given) which were situated adjacent to the temple building may be restored. With regard to this, the Amildar reports that it is not a fact that the temple building is leaky for want of repairs and that weekly pujas are being conducted therein. He also states that there are no references to show that the temple is endowed with the lands adjacent to the temple building but it is only the lands situated at Bommachavalli are endowed for its up-keep and the archak, Narasimhamurthy of Hassan has given a statement on 11-1-1935 stating that it is not possible to get these lands cultivated and they may be resumed to Government lands given in exchange either in Hassan or in any of the neighbouring villages as the same is endowed for its up-keep.

4. Owing to the above reasons, both the Amildar and Sub Division Officer state that the inam lands may be resumed to Government and recommendation made for allowing cash grant of the present institution [illegible]
